

WINE TOURISM PROGRAM

WINE TOURISM PROGRAM

Later they let's sense beforehand a program that will sharpen all your senses creating a world of sensations around you.

It's say that the human being possesses five senses, which the pace of our daily life, in occasions, does not allow us to develop.

In the estate “Hoya de Cadenas” will be able to stop and to open the whole new world of sensations.

- One will be able to walk along the sound of the nature ... with the Hearing.
- You will be able to caress the magic of the vineyards ... with the Tact.
- You will catch the captivation of a beautiful place ... with the Sight.
- You will inspire the smell of a sea of wood of American and French oak ... with the Smell.
- You will taste the most impressive wines ... with the Taste.

WINE TOURISM PROGRAM

Warehouses Vicente Gandía, Valencian family enterprise founded in 1885 by Vicente Gandía Plá, is one of the major warehouses in the exportation of jammed solid wine and the leading warehouse of the Valencian Community.

The estate "Hoya de Cadenas", placed to 800m. Of altitude in the Denomination of Origin Utiel-Requena, it is an ecological paradise to only 90 km from the city of Valencia that possesses more than 200 hectares of the most noble local and international varieties.

WINE TOURISM PROGRAM

FACILITIES

It's an ultramodern warehouse equipped with the most advanced wine technology, concebida to preserve all the characteristics of the wine.

WINE TOURISM PROGRAM

ENVIRONMENT

Wine zone with Denomination of origin from September, 1932, it's placed in the west of the province of Valencia. 9 municipalities compose it, taking Utiel's city as a center of the denomination.

Requena's municipal area forms a part of the zone "CHAMPAIGN" of Spain. Watered as the "Río Magro" and the "Río Caballero" has an extension of 40.000 hectares and possesses 130 inscribed warehouses.

The wine tradition of the zone goes back to the 7th century like it they prove the amphorae found in the Iberian deposit of "Los Villares de Caudete" of the Fountains, called Kelin.

WINE TOURISM PROGRAM

VINEYARDS

In this privileged space have adapted to the perfection five varieties of the best vine-stocks of the world: the universal Cabernet Sauvignon, the aristocratic Chardonnay, the demanding Sauvignon Blanc, the delicious Merlot and the Tempranillo, the Spanish jewel. In addition, they save themselves a few hectares for the Bobal, the emblematic vine-stock of the D.O. Utiel – Requena.

The Estate is provided with all the advances that do that the land gives everything of yes, without damaging it, respecting its cycles, taking advantage of the water, thinking about every vine as about an object capable of producing the multiple facets that, as a beautiful gem, some wines present to all the senses. All the vine are provided with espalier and a system of located, totally computerized irrigation, which just is in use when they skimp the rains.
